		Date:	

Terms and Conditions:

- The Dealer Installation Credit form needs to be submitted along with a copy of a dated detailed invoice showing the sale and installation of the equipment within 30 days of install completion.
- All fields under the “Dealer Contact Information” and “End User and Vessel Information” sections are required.
- All Installers buying through distribution would list distributor where the items were purchased from in the “Account#” field.
- Attach a copy of the installing technician’s current NMEA and/or ABYC certification. A NMEA MEI, AMEI, or CMET certification or ABYC Marine Electrical Certification is required to be eligible for the Dealer Installation Credit program.
- All transponders will receive an extra year of warranty added to the standard 2-year warranty.
- We may follow up with the customer for feedback.
- Dealers will receive a check or gift card.

Please send the completed form and copy of invoice to:
